

## PRAYER?

Prayer ministry is available every Sunday after the service at the front of church to your left. This is for anyone who feels they need healing or help from God for any kind of need. Please come forward and someone will come and pray with you. You can also write the names of those you'd like to pray for on the clipboard in the foyer.

*A very warm welcome to St Luke's Church today especially if you are a visitor with us. We're a growing and diverse community and love new people joining us. If you've got kids, we've got different options for them – we'll make these clear during the service. After the service we serve tea, coffee and biscuits please stay around if you can!*

## A very warm welcome to our services at St Luke's -

A special welcome to those who are visiting us for the first time and for the baptism today at our two meetings, the 9.30am Early Communion and the 10.30am All-Age Service. We hope that you enjoy worshipping with us.

We have been awarded a Reaching Communities Building Grant which is a tremendous encouragement for ourselves and the local community. This will not only fund an extension on the West End of the church so we can do more community work, but will also allow us to employ a Community Cohesion Worker next year.

With lots happening in the life of the church at the moment there is an extra PCC on Monday 18<sup>th</sup> June at 7-30pm. At the following PCC on Monday 16<sup>th</sup> July Bishop Paul Slater will be joining us to talk about mission and being a potential resourcing church for the diocese.

**Prayer Cards** are still available with prayers for the world church and community. Do pick them up from the chairs at the back.

Community Weekend Many thanks for those who organised, helped, took part and came to the six events over the community weekend. The Space Quiz night was a great time together with over eighty people attending.

The Reetwirler's morning for Christian Aid, raised nearly £200 which will be sent off to help the people of Haiti, an island recently gripped by floods and earth quakes. The International service and meal was attended by over 100 people – thanks to those who cooked beautiful food from around the world. The Pizza Praise had people we never expected and Rolf and the team did a tremendous job leading this innovative Fresh Expression of church. This was all finished beautifully by the over 60's meal. Thanks to Greg Mann and the team from Swinton who made it all happen.

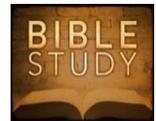

Joan Holderness has celebrated her 90<sup>th</sup> birthday! Love and congratulations from all of us at St Luke's on an amazing celebration and for making us laugh so much over the years.

Also Happy Diamond Wedding to Raymond and Peggy Hewitt on 7<sup>th</sup> June. Congratulations on sixty years of married life together.

Last Sunday at The Polish Roman Catholic Church in Leeds, Veronika Burzynska is receiving her first communion. Congratulations to her and the family on this exciting step in her life and faith.

Tuesday Bible studies have now stopped, but will run in several six week blocks later in the year.

On the table at the side of church there is **lost property** that we have collected over the past few months. If you see anything there that is yours do take it as we will need to clear the table by next Sunday. Thanks

After last year's successful **Venture Camp**, we have the opportunity to send more of our young people to Ripon on 4<sup>th</sup>-12<sup>th</sup> August this Summer. We hope grants will be available for this. If you are interested in coming along see Irina or Shona, the youth leaders for more details.
